

Junior Web Designer & Assistant (Part-Time | Laguna Hills)

The publisher of **Bella Grace**, **Willow and Sage**, **Where Women Create**, and 25 other beautiful, upscale magazines is looking for someone who can support the web team in the maintenance and development of its several e-commerce sites. We are looking for a bright and hardworking individual who can help take the aesthetic of some of our newer sites and creative, marketing campaigns to the next level. Entry-level candidates are encouraged to apply.

Responsibilities:

- Editing photos and resizing images
- Making or updating product, project, and other landing pages
- Designing layout(s) and elements for email marketing campaigns
- Maintaining online ads
- Designing various materials, such as promotional buttons, website banners, and more
- Exporting InDesign files to create pdfs for digital editions
- Scanning and uploading ephemera for digital downloads

Required Skills:

- Capable of working independently as well as in a team environment
- Must be able to multi-task and meet deadlines
- Meticulous attention to detail and outstanding organizational skills
- Working knowledge of HTML and CSS
- Experience using Dreamweaver, Photoshop, and InDesign
- Prior understanding of Wordpress, Opencart, and/or Magento, a plus
