

The birth of a child is something that can be celebrated all year long, and usually calls for your most creative and colorful stamped creations. This issue's template celebrates all of the joy a new baby brings with a baby onesie. A baby onesie is the perfect symbol for any baby, boy or girl, and can be tailored to fit the baby's unique personality. Whether you create a card out of the onesie, add it to a baby-themed stamped scene, or use it as an embellishment on a baby gift, the possibilities are endless. Send in your stamped onesie design for possible inclusion in our February/March 2011 issue.
