

tempting template

The moveable paper dolls by Lisa Guerin featured on page 26 served as the inspiration for this issue's Tempting Template. How will you dress up this little lady? Will she be whimsical or daring? Sophisticated or childlike? With such a great starting point, you can't go wrong! We can't wait to see what you come up with! Be sure to send them in to be included in our June/July 2009 issue!
