

@2beseenphotography ANGEE MANNS

Living a *Bella Grace* life is ...

Enjoying the simple things in life
(like coffee!)

Pursuing a lifelong dream

Prioritizing time with my girlfriends

Being the crazy “in your face” photographer
at every. Single. Event.

Raising a son who holds doors open
for strangers

Carving time out of my schedule for reading

Not dwelling on things that I cannot change

Having as many animals around me as my
husband will allow

Honoring loved ones who I have lost

Being brave
